## HOW IT WORKS

### *Simple from the Start*

1

#### PERSONALIZED QUOTE

We confirm your home size, condition, priorities, and the right monthly investment.

2

#### YOUR WEEKLY DAY

A recurring cleaning day is reserved for your home so service stays predictable.

3

#### ONE MONTHLY PAYMENT

Pay once each month through Square or PayPal instead of paying after every visit.

#### YOUR SCHEDULE STAYS SIMPLE

Your monthly fee covers every scheduled weekly visit - including months with a fifth cleaning day at no additional charge.

## ROUTINE WEEKLY CARE

### *The Basics We Handle*

- ✓ Kitchen surfaces and sink
- ✓ Bathrooms and mirrors
- ✓ Dusting furniture and decor
- ✓ Vacuuming carpets and rugs
- ✓ Sweeping and mopping
- ✓ Beds, dishes and trash
- ✓ Light laundry with client detergent
- ✓ Light tidying

#### TIME-BASED SERVICE

Weekly visits are approximately 2-3 hours. Time and scope depend on the size and condition of the home. Well-maintained homes may be fully completed, while other homes may receive rotating focus areas.

## ROTATING DETAIL CARE

### *The Little Things Matter*

As time allows, deeper maintenance tasks are rotated into your cleaning schedule so every part of your home receives attention over time.

- ✓ Interior refrigerator
- ✓ Interior oven
- ✓ Baseboards and trim
- ✓ Cabinet fronts
- ✓ Doors and door frames
- ✓ Ceiling fans and light fixtures
- ✓ Other detailed cleaning tasks

#### GOOD TO KNOW

Rotating details are completed as time, home condition, and client priorities allow. Specific detail tasks are not guaranteed during every visit.
